## Mount Block PN #109301 Installation Instructions

This set of motor mount adapter blocks (2 included) are designed to convert your H1 Hummer to a GM Duramax diesel engine. These mounts are recommended to have a minimum of a 2 1/2" body lift for sufficient clearance. Mounts are marked for Drivers and Passenger side. Requires the use of stock Hummer engine isolators.

Also available as a kit with Tin Man's transmission crossmember that will convert an H1 Hummer to an Allison Transmission. Requires the use of stock GM Truck Allison Transmission Mount.
